PRODUCT NOTES:

1. Product specifications are derived from averages resulting from normal manufacturing tolerances in yarn, fiber, temperature, humidity and colour. Product specifications may vary within normal industry and standardised testing tolerances.

2. These specifications reflect mean averages based upon tests of production runs of this carpet style by independent laboratories. A range of variances is implicit in the testing process. Furthermore, the standard test methods established to derive the specifications lack a degree of precision and repeatability; therefore, individual test results on the actual carpet purchased may differ from the specifications above.

3. Colours may vary slightly from dye lot to dye lot.

4. Backing or other materials may be changed without prior notice when shortages occur or when technological advancements become available which provit for improvement of the product's performance.

5. All products are 100% recyclable.
